

## TRAVEL AWARDS

### JOINT 43<sup>rd</sup> ERRS AND 20<sup>th</sup> GBS CONFERENCE IN ESSEN

September 17<sup>th</sup> to 21<sup>st</sup>, 2017

Owing to generous support from the Radiation and Nuclear Countermeasure Program DAIT/NIAID/NIH, as well as from other sources and foundations, the meeting organizers are pleased to announce that they will provide up to **20 travel awards** for PhD students and early career scientists (up to 5 years as postdoctoral fellows) as partial financial support for attending the joint ERRS-GBS conference in Essen.

**These travel awards are in addition to those pledged by ERRS and GBS (see separate announcements), and are fixed at 400€ for participants from Germany and at 500€ for participants outside Germany.**

Interested individuals can apply by simply checking the appropriate box in the Abstract Submission Form found on the Website (<http://errs-gbs-2017.eu/>) and uploading as a single file:

- a *short CV*
- a *letter from their supervisor indicating support for the application and the status of the applicant*
- *Justification of need for financial support*

**ERRS and GBS Awards have partly deviating specific requirements that are indicated in the corresponding announcements. Applicants are not required to indicate preference regarding source of support. The Organizers will pre-sort applications and will forward to ERRS and GBS for evaluation only those that fulfill their stipulated requirements. All applications without exception will be considered for funding by the Organizers.**
